

Our Home, Our Responsibility Museum Education Programming Best for Grades 4 - 8

Available in English & French!

Your class is welcome at the Museum of Lennox and Addington (Napanee) to explore what it means to be a responsible citizen and the responsibilities of all levels of government. Through friendly competition and teamwork, we'll work through what happens when citizens can't communicate with governments, explore different perspectives at a national and a community level, have fun exploring the museum with our themed gallery game, and more!

This program is available in English AND French.
