Curious About TURTLES!

Grades K-3 Education Program

This fun, hands-on education program for Kindergarten–Grade 3 combines art, movement, and environmental learning. Students will read about Mossy the turtle, create their own turtle friend, learn about local turtle species and habitats, and play an interactive habitat game. Museum visits include a scavenger hunt.

Cost & Time

\$30/class within Lennox & Addington County

\$60/class outside of Lennox & Addington County

Museum visits - 90 minutes | Classroom visits - 60 minutes
