

Pieces of the Past

GRADES 9-12 EDUCATION PROGRAM @ THE MUSEUM

Get hands-on with history through paper conservation and archival research!

Students will learn how to assess and repair historical documents through basic conservation methods, explore how family trees are created, and use archival files to piece together the story of a local historic family while answering research questions.

COST & TIME:

\$30/class within Lennox & Addington County

\$60/class outside of Lennox & Addington County

Museum visits - 90 minutes

Classroom visits - 60 minutes
